

OAK CHEVRON GREY

The distinctive, weathered grey stain on this ready-to-install, patterned oak board from the Chevron Collection brings an elegant expression to this traditional floor, and accentuates its timeless look. Each board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood. Partial handcrafting gives each board its unique appearance, while micro-bevelling enhances the iconic geometric design. A package contains an even split of left and right hand sided Chevron patterned boards. This product requires an, after installation, maintenance treatment using Kährs Satin Oil Matt.
